## What Your Priest Can Do

1. Offer Masses for Pro-life intentions. This can either be a "special event" or a regularly scheduled Mass, the intention of which relates to pro-life.
2. Establish a pro-life prayer group in the parish, dedicated specifically to prayers and teachings on the value of human life.
3. Offer Pro-life holy hours, Rosaries, Scripture Services.
4. Promote Adoration
5. Preach frequently on abortion, both by entire homilies on the topic and by reference to it in other homilies.
6. Include mention of abortion in the General Intercessions at Mass.
7. Place inserts into the bulletin about pro-life. These can be full-page inserts that can be given to the bulletin company in advance, or short (1-3 line) messages.
8. Present pro-life topics in Bible Study, RCIA, meetings for school parents, marriage preparation, instructions for sponsors, etc.
9. Invite pro-life speakers to make presentations at meetings which people are required to attend, such as those for the parents of school or CCD children.
10. Have special educational evenings with speakers and/or videos, or pro-life movies.

11. Have a "Life Mission" with a guest speaker/workshops for several days.
12. Use the parish bookrack to make good pro-life literature and tapes available.
13. Use parish bulletin boards inside and outside the Church to convey a pro-life message. Set up a permanent pro-life sign on the property.
14. Make pro-life resources (Precious Feet Pins, Bumper stickers and Buttons, Pro-life Bank checks, etc.) available to the parishioners. You can get order information from Priests for Life (888-PFL-3448 or 718-980-4400)
15. Add the words "born and pre-born" to the Pledge of Allegiance when it is recited in the schools and at other functions.
16. Sponsor a pro-life essay/poster contest among the children of the school and CCD programs. Display winning posters in the school or in the Church vestibule, and print winning essays in the bulletin.
17. Have readily available at all times concrete information about alternatives to abortion. Place one of more of these numbers on the cover of your parish bulletin as a standard item. Get this information to women in need, to local doctors, and to the secular press.
